Our Leadership

Technology Advisory Panel

director of A*STAR, Southern Steel, Barghest Building Performance, as well as a member of the management board of NUS Energy Studies Institute. She was formerly CEO of NSL, and served in various functions during her 23 years as Chief Operating Officer and Head of Technology within the NSL Group. As NSL’s Head of Technology, Dr Kwa was responsible for the information technology, environment and R&D functions in the company.

Prof Ng How Yong
PhD in Environmental Engineering, University of California Berkeley, USA
BEng (First Class Honours) in Civil Engineering, National University of Singapore

Prof Ng is a professor and a Provost’s Chair in NUS Department of Civil and Environmental Engineering, Director of the NUS Environmental Research Institute, as well as Director of the Sembcorp-NUS Corporate Laboratory. He has over 20 years of experience in biological wastewater treatment and membrane processes for water reuse and seawater desalination, and has served as a consultant on municipal wastewater treatment and reuse, industrial effluent treatment and seawater desalination in Singapore, China, Japan and the USA. Prof Ng is also a fellow of the International Water Association (IWA), the Vice-Chair of the Management Committee of the IWA Specialist Group on Membrane Technology and the President of the Environmental Engineering Society of Singapore.

Prof Lui Pao Chuen
MSc in Operations Research and Systems Analysis, Naval Postgraduate School, USA
BSc in Physics, University of Singapore

Formerly Singapore’s Chief Defence Scientist, Prof Lui has several decades’ experience in engineering, science and research. He is an advisor to Singapore’s National Research Foundation and various government organisations, chairs the Environment & Water Industry Development Council’s project evaluation panel and sits on the boards of research institutes, corporations and technical organisations, including the Executive Committee for Environmental and Water Technologies.

Prof Lui is a professor at NUS, a fellow of the Singapore Academy of Engineering and the Singapore National Academy of Sciences and an honorary fellow of the ASEAN Federation of Engineering Organisations. His major science and technology awards include the National Science & Technology Medal, the Institute of Physics Singapore’s President’s Medal, as well as the International Council on Systems Engineering’s Pioneer Award. In addition, Prof Lui is the recipient of the Lifetime Engineering Achievement Award from the Institution of Engineers, Singapore, the Defence Technology Medal (Outstanding Service) from the Ministry of Defence, as well as the Aviation Pioneer Award from the Singapore Institute of Aerospace Engineers.
