# Notice of Annual General Meeting

## Explanatory Notes:

Resolutions 3 to 6 – detailed information on these directors can be found under the Board of Directors and Corporate Governance Statement sections in the Annual Report 2017. These directors (save for Mrs Margaret Lui who is Chief Executive Officer and a director of Azalea Investment Management Pte. Ltd., a related corporation of Temasek Holdings (Private) Limited) have no relationships (including immediate family relationships) with each other or with the other directors, the Company or its 10% shareholders.

If re-elected, Dr Teh Kok Peng will remain as a member of the Audit Committee. He is an independent director.

Resolution 7 – if passed, will facilitate the payment of directors' fees during the financial year in which the fees are incurred, that is, during the financial year ending December 31, 2018. The exact amount of directors' fees received by each director for the financial year ended December 31, 2017 is disclosed in full in the Supplementary Information section of the Annual Report 2017. Directors and their associates will abstain from voting on Resolution 7.

The amount of the directors' fees is based on the anticipated number of board and committee meetings for year 2018, assuming full attendance by all of the non-executive directors. The amount also caters for additional ad-hoc board and committee meetings. In the event that the amount proposed is insufficient, approval will be sought at the next Annual General Meeting in year 2019 ("2019 AGM") before any payments are made to directors for the shortfall.

The current intention is that the directors' fees for the non-executive directors for year 2018 will comprise a cash component and a share component, with up to 30% being paid out in the form of restricted share awards under the Sembcorp Industries Restricted Share Plan 2010. Any such award would typically consist of the grant of fully paid shares outright with no performance or vesting conditions attached, but with a selling moratorium. Under the Directors' Fee Framework, non-executive directors are required to hold shares (including shares obtained by other means) worth S\$75,000; any excess may be sold as desired. A non-executive director can dispose of all of his shares one year after leaving the Board. See the Corporate Governance Statement in the Annual Report 2017 for more details.

The cash component of the directors' fees for year 2018 is intended to be paid half-yearly in arrears. The share component of the directors' fees for year 2018 is intended to be paid after the 2019 AGM has been held. The actual number of shares to be awarded to each non-executive director holding office at the time of the payment is intended to be determined by reference to the volume weighted average price of a share on the Singapore Exchange Securities Trading Limited (the "SGX-ST") over the 14 trading days from (and including) the day on which the shares are first quoted ex-dividend after the 2019 AGM (or, if no final dividend is proposed at the 2019 AGM, or the resolution to approve any such final dividend is not approved at the 2019 AGM, over the 14 trading days immediately following the date of the 2019 AGM). The number of shares to be awarded will be rounded down to the nearest hundred and any residual balance will be settled in cash. A non-executive director who steps down before the payment of the share component will receive all of his directors' fees for year 2018 (calculated on a pro-rated basis, where applicable) in cash.

## Statement pursuant to article 57 of the Constitution of the Company:

Resolution 9 – is to empower the directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding 50% of the total number of issued shares of the Company excluding treasury shares and subsidiary holdings, of which up to 5% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of shares which may be issued shall be based on the total number of issued shares of the Company excluding treasury shares and subsidiary holdings at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at March 1, 2018 (the "Latest Practicable Date"), the Company had 1,042,827 treasury shares and no subsidiary holdings.

## Explanatory Notes: (cont'd)

Resolution 10 – is to empower the directors to offer and grant awards pursuant to the Sembcorp Industries Performance Share Plan 2010 and the Sembcorp Industries Restricted Share Plan 2010 (collectively, the "Share Plans") and to issue ordinary shares of the Company pursuant to the vesting of awards granted pursuant to the Share Plans provided that: (a) the aggregate number of (i) new ordinary shares allotted and issued and / or to be allotted and issued, (ii) existing ordinary shares (including shares held in treasury) delivered and / or to be delivered, and (iii) ordinary shares released and / or to be released in the form of cash in lieu of ordinary shares, pursuant to the Share Plans shall not exceed 7% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time; and (b) the aggregate number of ordinary shares under awards to be granted pursuant to the Share Plans during the period commencing from this Annual General Meeting to the next Annual General Meeting shall not exceed 1% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time. Approval for the adoption of the Share Plans was given by shareholders at an Extraordinary General Meeting of the Company held on April 22, 2010. The grant of awards under the Share Plans will be made in accordance with their respective provisions.

Resolution 11 – is to renew the mandate to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter to Shareholders dated March 29, 2018 (the "Letter"). Please refer to the Letter for more details.

Resolution 12 – is to renew the mandate to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued ordinary shares as at the Latest Practicable Date and excluding any ordinary shares held in treasury, the purchase by the Company of 2% of its issued ordinary shares (and disregarding the ordinary shares held in treasury) will result in the purchase or acquisition of 35,730,098 ordinary shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires 35,730,098 ordinary shares at the maximum price of S\$3.37 for one ordinary share (being the price equivalent to 105% of the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 35,730,098 ordinary shares is S\$120,410,430.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended December 31, 2017 based on these assumptions are set out in paragraph 3.7 of the Letter.

Please refer to the Letter for more details.
