SEMBCORP SIGNS FRAMEWORK AGREEMENTS TO EXPLORE THE EXPANSION OF ITS PRESENCE IN SHENYANG

SHENYANG, September 2, 2010 – Sembcorp is pleased to announce that its wholly-owned subsidiary Sembcorp Utilities has entered into two framework agreements today to explore the expansion of its presence in Shenyang.

The first of the framework agreements signed was with the Shenbei New District municipal government to explore the provision of water supply, wastewater treatment services, steam supply and district heating services to industrial and municipal customers in Shenbei district. The framework agreement was inked by Dr. Jeffrey Chen, CEO of Sembcorp's China operations (陈明信博士, 胜科中国区首席执行官), and Mr Li Peng Yu, District Representative of Shenbei New District (李鹏宇先生, 沈北新区人民政府代区长).

The second framework agreement was with Shenyang Water Group Co. (SWGC), to explore a possible joint venture to operate and manage SWGC's water assets serving mainly municipal customers in Shenyang. The framework agreement was signed by Dr. Jeffrey Chen and Mr. Zhang Guoxiang, Chairman of Shenyang Water Group Co (张国祥先生, 沈阳水务集团有限公司董事长).

These two new collaborations are set to strengthen Sembcorp's existing presence in Shenyang in Liaoning province, which currently includes three water works facilities, water intake systems and a water distribution network presence in the Shenyang Economic & Technological Development Zone, as well as water supply operations in Xinmin City through Sembcorp's subsidiary Cascal. In total, the Sembcorp Group's water and wastewater treatment business operates in 12 sites across nine provinces in China.

The signings, which took place on the sidelines of the 5th Singapore-Liaoning Economic & Trade Council Meeting held from August 30 to September 2, 2010 in Liaoning, China, were witnessed by Mr. Gan Kim Yong, Singapore's Minister for Manpower (颜金勇先生, 新加坡人力部长), Mr. Sam Tan, Parliamentary Secretary for Singapore's Ministries of Trade & Industry and Information, Communications & the Arts (陈振泉先生, 新加坡贸易及工业部兼新闻、通讯及艺术部政务次长), and Mr. Chen Zhenggao, Liaoning Governor (陈政高, 辽宁省省长).

ABOUT SEMBCORP INDUSTRIES

Sembcorp Industries is a leading energy, water and marine group operating in 17 countries across six continents worldwide. With facilities with over 5,600 megawatts of gross power capacity and over six million cubic metres of water per day in operation and under development, Sembcorp is a trusted provider of essential energy and water solutions to both industrial and municipal customers. It is also a world leader in marine & offshore engineering, as well as an established environmental services provider and developer of integrated townships and industrial parks.

The Group has total assets of over S\$9 billion and employs over 9,000 employees. Listed on the main board of the Singapore Exchange, it is a component stock of the Straits Times Index and several MSCI indices.

Note to Editors:

Following a company rebrand, please refer to the company as "Sembcorp" (with "S" in upper case and "c" in lower case), or "Sembcorp Industries" in full. Please also note that "Sembcorp" is not an abbreviation of "Sembawang Corporation" but a brand name in itself, and it is therefore incorrect to refer to our company as "Sembawang", "Sembawang Corporation" or similar.
